FALL 2017

From your Pastor

Dear Members and Friends,

I recently read a devotional from Dr. David Jeremiah and I honestly thought he was writing about me. It moved me to share with you a part of my life's story as well as some of his reflections .

Years ago, I was representing one of the best manufacturing companies in the country. My life and future seemed secure and it seemed as if nothing could stop me. But then one day, the company was sold and the new owners over the next few years stripped the company of its profits, leaving a shell of what it used to be. Many nights I spent worrying about the loss of business, the loss of security, and of course the pending loss of the job I truly loved. Searching for answers, trying to make sense of "life", I turned to God's word. In 1 Kings 17, I read about how Elijah's brook dried up and the hopelessness that overcame him. However, the Lord had other plans for Him. He was led to Zarephath, where he witnessed a miracle of flour and oil that never ran out, and kept a family from starving. His brook dried up, but because he witnessed to the needs of this small family, God's gift of flour and oil overflowed. I left my position but soon found another. During that time was when God started speaking to me, moving me, encouraging me to seek Him, and ultimately bringing me into ministry, and to be with you. We must always remember that God never deserts us or leaves us stranded. So if you find that your brook seems to have dried up, somewhere He has a jar of oil and a measure of flour waiting for you. Disappointments happen, dreams crash, even our health can fail. Just remember, there is always a next step, a new blessing, and yes even grace to claim from God's guiding hand.

In His Peace,
Rich

After School Program

Beginning on October 4th we host our after school program for youth from Ashland Middle School. This is the third year that this outreach program by our church has provided a safe space for these youth to experience positive and healthy relationships with older teens and adults. The time together consists of a healthy snack, recreation, living skills, creative arts options, and homework assistance. This year **Pastor Rich, Linda Gardner, Jan Robinson, Sue Detrow and Ellie Wells** will be working with the young people. We also have volunteers from the AU Theta Phi Alpha sorority. We thank these girls for their interest in our program.

We continue to receive positive and encouraging feedback from the Middle School and their appreciation for what we are doing here. The success of this program certainly lies with the number of volunteers who have given of their time and shared their love with these kids who just desperately need someone who cares.

Our own young people, **Nate Whitmer, Alexis, Lauren & Rachel Hastings** also work with the students each week. **Nate and Peter Zimmerman** are Honor students and are available to help with homework and science projects. We also thank those who have furnished snacks each week. Feel free to stop at church on one of our Wednesday afternoons to see what is taking place and how these young lives are being impacted through this program.

If you have a project you think the young people would enjoy, please see Jan, Linda or Rich. It can be cooking, sewing or crafts. We try to offer a variety of things for them. If you are at all creative, we can use you - - even for an hour or so!

We will have a sign-up for **snacks** if you can help out there. We try to offer them fruit, cheese and crackers, veggies and dip, pizza, grilled cheese sandwiches—they are always hungry! Thanks for your interest!

Thank You!

We received a thank you letter from Ashland County Board of Developmental Disabilities thanking us for our donation to Dale Roy School in the amount of \$331.50. (this was what was collected at our Fourth of July Celebration).

Ministry Appreciation Month

The month of *October* is *Ministry Appreciation* Month. Please remember to thank *Pastor Rich and Brian Nabors* for their ministries to our church. We will end the month with an *“Appreciation Potluck”* on *Sunday, October 29th*. More information to follow.

What's Happening!

We received a Thank you from the staff at Safe Haven for all the donations given to the shelter by our congregation and for the generous check we also gave them back in May. Safe Haven was our **'Random Act of Kindness'** for the month of May.

On May 26th we hosted two seventh grade science classes for their **"Living Skills Day"**. The young people and their teachers were so thankful for the use of our building for this day. They cooked a meal, sewed on buttons, learned CPR, and learned banking skills. As a "thank you" each child brought an item for the Safe Haven Shelter. We also received many Thank You's from these students.

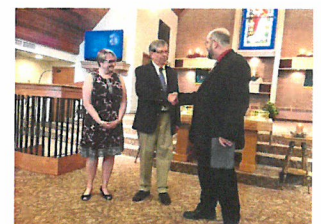

We get so many **thank you's** from our friends at **Belmont Tower**. We have a worship service the first Sunday of each month and they are always ready for us! They love Rich's message and of course love Brian when he plays the piano and leads the singing. We serve communion each visit. It is heart warming to see how happy and **thankful** they are. You might want to come and join us some Sunday and feel the **love!**

On Sunday, June 18th Rich Pate was installed as our Pastor. Rev Stephen Bentley from the Region was here to make this official! Many of Rich's family and friends were here to celebrate with us. A reception followed the service.

Pastor Rich is a Godsend here at First Christian. It has been a year now since he answered our call and we are indeed blessed to have him as our pastor. Our **thanks and love** to Rich and Donita!
